(Abbreviate up to 21 spaces only, with spaces between words and no punctuation)

________________________________________________________

PART II
Attach Separate Sheet Outline of Independent Study/Readings or Research Project

(Note: this will be negotiated by the student and the instructor and must be completed before any work begins.)

The outline should include: Learning Goals and Objectives; Products of the Study (e.g. literature review, annotated bibliography, etc.); timeline (to include meeting schedule with the instructor).

I completely understand what is expected of me in order to complete the course as outlined above and agree to meet with the instructor as scheduled. The TRSM faculty member who will be responsible for my work in this course is ________________________________.

______________________________________________________

Student Signature                      Date

______________________________________________________

Faculty Signature                      Date

The student and the instructor should keep a copy of this contract; a copy will also be kept in the Graduate Coordinator’s Office.

(Note: student must complete ALL pages)
